REMARKS

In response to the Office Action mailed March 3, 2010, Applicant respectfully requests reconsideration. To further the prosecution of this Application, Applicant submits the following remarks. The claims as now presented are believed to be in allowable condition.

Claims 1 - 6, 8 - 13, and 56 - 62 were pending in this Application. By this Amendment, claim 57 has been cancelled. Applicant expressly reserves the right to prosecute at least some of the cancelled claims and similar claims in one or more related Applications. Accordingly, claims 1 - 6, 8 - 13, 56, and 58 - 62 are now pending in this Application. Claims 1, 56, 59, and 61 are independent claims.

Allowed Claims

Claims 1 - 6, 8 - 12, and 59 - 62 have been allowed.

Claims 13, 57, and 58 were objected to as being dependent on a rejected base claim but were deemed allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims. Applicant has rewritten claim 56 to include all of the limitations of the base claim, claim 56, and claim 57. Claims 13 and 58, as amended, depend from the amended claim 56. Accordingly, claims 13, 56, and 58 are now in allowable condition.

Conclusion

In view of the foregoing remarks and amendments, this application should be in condition for allowance. A notice to this affect is respectfully requested.
The examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application. Please apply any charges not covered, or any credits, to Deposit Account 04-0932 (Reference Number 15344/69391E).
